Graduation and Honors Requirements and Procedures

1. Class Rank

The class rank for college prep graduates shall be completed on the basis of 8 semesters of attendance in grades 9-12. The final class rank shall be computed at the end of 8 semesters.

The final cumulative student Grade Point Average (GPA) is determined by dividing the total number of points earned in academic classes by credits attempted.

A student who participates in the College Credit Plus Program is reminded that his/her high school GPA will reflect these college grades. Class rank may include an early graduating senior.

2. Non-Academic Requirements

Only students who have completed all non-academic requirements shall receive a diploma. These non-academic requirements include:

- a) pay all fees owed to the school or any activity fund for class projects, organizational projects, fund raising projects, library fines, damage to school property or equipment
- b) serve any disciplinary penalty or satisfy any disciplinary action as a result of a violation of the River Valley High School Code of Conduct before the day of commencement ceremonies. Any violation of the Code of Conduct at graduation may result in the denial of the diploma until any prescribed penalty has been served.
- c) return or pay for lost, damaged, or destroyed books from the classroom or library.
- d) return athletic department equipment or pay fees or money due for lost, damaged, or destroyed items at the school's replacement cost unless otherwise determined by the high school principal.
- e) reimburse the River Valley Board of Education for all costs and charges incurred by the River Valley Local School District when a student enrolled in College Credit Plus fails or withdraws from the program or a course(s) during the school year.

f) reimburse the River Valley Board of Education for all costs and charges incurred by the River Valley Local School District when a student enrolled in an online course(s) fails or does not complete the course(s) by the required date.

3. Any senior who fails a required subject or a subject whose credit is needed for graduation will not be allowed to participate in commencement exercises and will not receive a diploma.

4. Seniors must satisfactorily complete all course work by the last required day of regular class attendance (for seniors) for them to participate in commencement exercises and to receive a diploma with their graduating class.

5. All students will take the end of course exams. See the graduation testing requirements section above.

6. *Early Graduation*

Students are permitted to plan for early graduation. Written requests must come from both the student and his/her parents directly to the principal by the end of the first semester of the sophomore year. An Early Graduation committee will review each request and take appropriate recommendations to the principal who will decide each case.

The student has an option whether they desire to participate in commencement exercises or receive the diploma from the high school office (during office hours) the week following commencement exercises.

7. *Valedictorian and Salutatorian Honors*

The distinction of Valedictorian and Salutatorian will be determined after the final day for Seniors is completed and teacher grades are submitted to the office. To be considered students must have earned at least six (6) credits on the River Valley campus. Exceptions to this policy may be considered by the building principal.

The students who after eight (8) semesters have achieved a straight A average which is a 4.0 Grade Point Average or above will be considered Valedictorians of the graduating class. Those students who have achieved below a 4.0 average but possess the highest overall G.P.A. (i.e. 3 .999) will be selected to be the Salutatorian of the graduating class. The student with the highest Grade Point Average will be the Valedictorian and the student with the second highest Grade Point Average will be the Salutatorian.

Title IX: River Valley High School complies with the provisions of Title IX and does not discriminate on the basis of sex in educational programs or activities. Contact Mr. Adam Wickham at 725-5401 for further information.

Section 504 of the Rehabilitation Act of 1973: River Valley High School complies with the provisions of the Department of Health, Education, and Welfare and does not discriminate against handicapped students.

College Preparatory Course: This course of study is available to all students and recommended to those students who wish to continue their formal education beyond high school. Most college authorities recommend that entering students should be in the upper one third of their graduation class.

Career/Technical Course: Approximately thirty programs of Career/Technical education are available to River Valley High School students at the Tri-Rivers Career Center. Agricultural Science, Tech Industrial Studies, and Work & Family Management are taught at River Valley High School.

Technical Preparation Course: The goal of Tech Prep is to combine academics with employability and occupational skills. Students may either directly enter the workplace after high school graduation, or continue to an associate degree or certificate at a two-year college and beyond.

Ohio's Credit Flexibility Plan: Senate Bill 311 (the Ohio Core Legislation) raised the graduation requirements for high school students with the goal of increasing the number of students who are ready to meet the demands of our global and technological age. It included among its several provisions a requirement the State Board of Education adopt a plan that enables "students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction." School districts, community schools and chartered nonpublic schools "shall comply" with the provisions of the plan.

Ohio's plan for credit flexibility is designed to broaden the scope of curricular options available to students, increase the depth of study possible for a particular subject and allow tailoring of learning time and/or conditions.

Credit flexibility is intended to motivate and increase student learning by allowing:

- * Access to more learning resources, especially real-world experiences

- *Customization around individual student needs

- *Use of multiple measures of learning, especially those where students demonstrate what they know and can do, apply the learning, or document performance.

Grading System: Report cards are issued at the end of the four grading periods for the school year. The following grading system will be used.

98 - 100 = A + = 4.0

92 - 97 = A = 4.0

90 - 91 = A - = 3.67

88 - 89 = B + = 3.33

82 - 87 = B = 3.00

80 - 81 = B - = 2.67
 78 - 79 = C + = 2.33
 72 - 77 = C = 2.00
 70 - 71 = C - = 1.67
 68 - 69 = D + = 1.33
 62 - 67 = D = 1.00
 60 - 61 = D - = 0.67
 0 - 59 = F = 0

When students are ranked for a grade point average (GPA) only academic subjects worth 1/2 credit or more are calculated. The only non-academic courses at River Valley High School are as follows: band, choir, orchestra, teacher assistant, physical education, and Freshmen Focus.

Course Credits: Grades will be determined for the semester by counting each nine weeks grading period's percentage twice and the exam percentage once and dividing by 5 to get the average percentage for the course. If the student exempts an exam then count each nine weeks grading period average twice and divide by four to get the average percentage for the course. A student must pass two of the three grades to receive credit for the semester or course. A student must have an overall final grade percentage of at least 60% D- to receive credit for the semester. Report cards are issued at the end of the four grading period for the school year.

Classification of Students: All students are required to take five units of credit each year. Adequate credits earned per year are as follows:

9th to 10th	4 credits
10th to 11th	8 credits
11th to 12th	16 credits
Graduation	21 credits

Release of Records: Public Law 93-380 requires that written parental permission must be obtained to release school records to any person or organization outside of the Marion County School System. Forms are available in the High School office.

Scholastic Eligibility: In order to be eligible to participate in athletics, hold any class office, or serve as a representative to student council from any organization, a student must pass 2.5 blocked classes or their equivalent in the preceding grading period and maintain a minimum G.P.A. of 1.0.

College/Career Visitation Days: Seniors and juniors will be permitted to miss school no more than 2 days a year to visit colleges, technical or trade schools, or other career agencies in which they have an interest. A form should be secured from the Guidance Office one week in advance. Contact must be made with the college, school, or agency at least 4 days prior to the visitation day and the visit must be approved by the Guidance Office with the signed form returned no later than 3 days before the visit day.

Permission must be granted in writing from the student's parent and responsibility is assumed by the parent. Teachers must be notified at least 3 days in advance by the student so that make-up work will be completed before the visit.

The visitation days will not be allowed the last 9 weeks of the school year or the last day of any grading period, unless prior approval is given by a high school administrator. No more than 3 students will be allowed to attend the same institution on the same day unless prior permission is obtained from the Guidance Office.

A verification letter signed by an official of the place visited on the letterhead of the college admissions office or personnel office of the employer visited must be brought to the attendance office the next school day to have this count as a field trip and therefore not be counted as a day of absence.

Honor Roll: An honor and merit roll will be published at the end of each nine (9) weeks grading period. This is not an average or point system. It will be an all "A" for honor roll and all "B 's" or better for merit roll. Only academic courses will be used to determine the Honor and Merit Rolls.

Senior Honor Awards: Honor medallions will be awarded at the commencement each year to the outstanding students in each of the following areas. Students must have completed these courses listed with each area with a 3.6 average to be considered for the honor award. The awards will be based on achievement during the four years at River Valley High School or two years of skill programs at Tri-Rivers. No student may receive more than one honor medallion.

ATTENDANCE POLICY

I. Rationales

Education is more than passing tests and receiving course credit. Class attendance is critical for the student to receive full benefit of the educational program. Regular attendance is a positive factor that develops habits of punctuality, self-discipline, and responsibility in students. Pupils who attend class regularly generally achieve high grades, enjoy school more, and are more employable after leaving school. Even though a student may make up the actual work missed because of absences, he/she may never be able to replace the social, educational, and cultural contacts which are received only through actual classroom participation. Attendance is required during all scheduled periods including classes, study hall, homeroom and mandatory programs. Excessive absences may result in referral to court.

House Bill 410 was passed into law by the Ohio General Assembly in December, 2016 and the most recent state guidelines have been made in July, 2017. This has changed the way school districts monitor student attendance across the state. Schools now must keep track of absences by "hours" as opposed to "days missed."

Definitions in regards to the changes:

1. Habitual Truant – any student absent **without a legitimate excuse** for absences of
 - a. 30 or more consecutive hours
 - b. 42 or more total hours in one school month
 - c. 72 or more total hours in one school year
 2. Excessive Absence – any student absent **with or without a legitimate excuse** for absences of
 - a. 38 or more hours in one school month
 - b. 65 or more hours in one school year
- If a student exceeds one of the attendance thresholds for Habitual Truancy, a letter will be sent home and phone calls made to contact the student's parent/guardian to set up a meeting.
 - If a student has exceeded one of the attendance thresholds for Excessive Absences, a letter will be sent home and phone calls made to note the requirement for any additional absences to have a doctor's note to consider them excused.

II. Perfect Attendance

Perfect attendance means **NO** tardies/partial absences to school and missing no more than one block for doctor appointments, driving test, or court appearances. The administration will consider extenuating circumstances. Missing class due to school related activities will not be counted as an absence and students are responsible to make up all missed work. Up to one full day will be permitted for a family funeral, held in state, without affecting perfect attendance. For a family

funeral held out of state three days will be permitted without affecting perfect attendance.

III. Excused Absences

The State Board of Education has adopted regulations governing excuses from future school attendance and past absences from school attendance within the framework of the Ohio Revised Code. These rules and regulations are binding upon the authorities empowered to issue excuses from school attendance. The following, taken from the Ohio Revised Code, indicate the regulations governing excuses for past absences from school. A ruling from the State Department of Education requires that when a student, regardless of age, returns to school after an absence, he shall bring with him/her a written note from his/her parents or guardian stating one of the following reasons as the cause of the absence:

- A. Personal illness. The approving authority may require the certificate of a physician if he/she deems it advisable.
- B. Illness in the family.
- C. Quarantine in the family.
- D. Death of a relative.
- E. Observance of a religious holiday.
- F. An emergency or a set of circumstances which under the judgment of the schools constitutes a good, sufficient cause for absence from school.

ALL excuses for absence from any part of the school day must be turned in to the office within the first 5 school days upon the student's return to school or the absence will be recorded as unexcused. Absence from any portion of the school day up to one full block without being super excused shall be considered tardiness/partial absence. When a student misses more than ten minutes of an unblocked class or twenty minutes of a blocked class, he/she will be counted as absent for the entire class. Absence from school during semester exams may require a physician's statement. The principal or assistant principal must be contacted regarding all absences on semester exam days.

IV. Vacations

Vacations are excused absences but are not super-excused. The days missed will count towards the students permissible hours. The student/family should notify the school at least a week before the vacation. The student then will take a vacation form around to all of their teachers and get the form signed.

V. Attendance Call In Procedure

Parents must notify the school by phone on the day of the absence. Parents may call **(740) 725-5800**, the high school office, between

7:30 a.m. and 9:00 a.m. If the school does not hear from the parents the school will try to call the parent at home or send e-mail.

If a student is absent from school, the student will not be allowed to participate in extracurricular activities that day unless an excuse is signed by the student's parent(s) and approved by the principal or assistant principal. Students must be in attendance half of the school day. It is the responsibility of the student to notify their teachers with as much notice as possible when they know they will be absent from a class. This includes but is not limited to extracurricular and vacations.

Tardiness/Partial Absences:

Absence from any portion of the school day up to one full block without being super excused shall be considered tardiness/ partial absence. On the **fourth tardy/partial absence** to a class or to school for the semester, the student will be assigned a detention. On the **sixth tardy/partial absence and each subsequent tardy/partial absence**, the student will be assigned to Saturday School. Excessive tardiness/partial absences may result in suspension and/or referral to court.

Make-Up Work: It is the responsibility of the student to ask for make-up work from each of his teachers, providing he has been issued an excused absence. Make-up work is to be completed in all courses within two weeks, unless extenuating circumstances prevail. Students absent one or two days must make up work immediately. Homework and test grades may not be lowered if absence is excused and work is made up.

Early Dismissal:

- A. The student must bring a note from the parent / guardian which states the nature of the appointment and the desired dismissal time from school.
- B. Notes must be turned into the office by the beginning of the first period.
- C. Early Dismissals are super excused only for:
 - 1. Medical Appointments (Doctors & Dentists)
 - 2. Funerals
 - 3. Driver's License
 - 4. Court Appointments

Excuse from Classes: No student shall be excused from class to go to another class unless an unusual situation arises.

Working Certificates: The law of Ohio requires that all children between six and eighteen years of age must attend school regularly unless they have secured the proper working certificate. The following information explains the requirements for work permits to be used after school and during vacation.

Students must obtain forms from the guidance office. They must be completed and returned for the principal's signature before they can be employed

Parent-Teacher Conferences: Due to our Block Scheduling format and the fact that students will be following a different schedule during the second

semester, parent/teacher conferences will be held two (2) evenings each semester from 4:00 P.M. until 7:00 P.M. The dates will be September 16 & September 21 and February 3 & February 8. Appointments can be made by calling the high school office no sooner than two weeks prior to the conference dates. Individual conferences at other times of the year may be scheduled as concerns occur. Telephone calls about your child's academic well-being are always welcome.

Transportation: Driving to school and using the school's parking facilities is a privilege. Students must purchase a parking pass in the high school office. The parking pass must be displayed on their front rear view mirror, in their vehicle, when it is parked on school grounds. Student driving rights will be revoked for failure to follow the established guidelines. Students should enter via the West drive off of route 95 and must park in the designated student parking area on the Northwest area of the campus. Reckless driving or improper parking may result in the loss of the driving privilege, prosecutions, detentions and/or suspension.

The driveway in front of the high school is to be used by visitors and also will serve as the drive for students to be dropped off and picked up. The buses will drop off and pick up students in the designated bus parking area on the north side of the campus.

Upon dismissal from school, student drivers must exit via the West entrance onto Route 95. Students are not to use the Brocklesby Road exit until all buses have exited. **Buses have priority at all times.**

Tri-Rivers Students: All Tri-Rivers students are to stay in the lobby while waiting for the Tri-Rivers bus. Those students providing their own transportation to Tri-Rivers are to go directly to Tri-Rivers.

Cafeteria: Lunches are provided for all students who desire to eat. The aim of the cafeteria is to serve lunches of a maximum nutritive value at a minimum cost. Lunch prices are kept at a minimum, but are subject to change based on the Federal Lunch subsidy. Students may purchase a full lunch, an ala carte offering, or carry their lunch. All food is to be eaten in the cafeteria, no food is to be taken from the cafeteria. In order to obtain the best and quickest possible service in the cafeteria, the following regulations shall apply:

1. Pupils must take their places in order in the lunch line.
2. Teachers are requested by the administration to go ahead of pupils so that they can return to their rooms or resume their assigned duties.
3. No food may be exchanged after it has once been removed from the serving counter.
4. Pupils are expected to be orderly, quiet and polite.
5. Students are responsible for any and all trash at their table. All trash should be disposed of properly. Students may be held accountable to clean tables when trash is not disposed of properly.

6. River Valley High School maintains a closed lunch period for its students. Students are not allowed to go off campus during lunch, except for doctor's appointments or family emergencies.
7. Visitors are not permitted during the lunch periods.
8. Chairs are not to be moved from one table to another or placed at the ends of the tables.
9. **Delivery of fast-food to the school by local restaurants, parents, or friends is prohibited unless prior permission is obtained from the administration.**

STUDENT RESPONSIBILITIES

Care of School Property: Any school property damaged or lost by the students, including books, will be paid for by the student. School credits will be withheld until payment is made.

All textbooks are the property of the Board of Education and are loaned to the students free of charge. The following system of marking the condition of books is:

CHEMICAL ABUSE PROGRAM PROCEDURES

I. INTRODUCTION

It is a primary objective of the River Valley Local Schools to assume that the education of all shall proceed in an efficient, orderly and non-disruptive manner. The sale, use or possession of intoxicants, illegal drugs or other controlled substances on school premises is an obstacle to that objective and an interference with the rights of students to receive quality academic instruction. While student drug education and referral to counseling resources will continue to be made available, such measures should be viewed as instructional or rehabilitative and will not ordinarily be considered as an alternative to the disciplinary measures specified in Section III of this document.

The school reserves the right to use dogs trained and accompanied by local law enforcement officers to search for drugs.

II. STATEMENT OF POLICY

Students of the River Valley School District shall not knowingly possess, use, sell, give or otherwise transmit, or be under the influence of any drug, the possession of which is prohibited by law. This includes narcotic or hallucinogenic drugs, or intoxicants, of any kind, including alcohol. Also the misuse of prescribed drugs, or intoxicants of any kind, including alcohol. Also the misuse of prescribed drugs may be included.

Narcotics and drugs are defined as any narcotic, drug, medicine, or pill chemical preparation, plant, seed, or derivative thereof, of a hallucinogen, barbiturate, or amphetamine nature. The use of the same is strictly prohibited. Possession of the same for personal use shall not constitute a violation if it can be shown that the same has actually been prescribed by a duly licensed physician. This policy also applies to Counterfeit Drugs, commonly called "look-alikes", i.e. no students shall knowingly possess, make, sell, offer to sell, give, package or deliver a counterfeit (look-alike) controlled substance.

Drug paraphernalia or instruments such as pipes, roach clips, syringes, hypodermic needles, cocaine spoons or kits, and any other items normally or actually used for the packaging conveyance, dispensation or use of drugs will not be permitted on any school property and will be subject to confiscation.

2. at school and/or any school sponsored or sanctioned activity or event away from or within the school district, while under school supervision

III. STUDENT RESPONSIBILITIES

All students are to be responsible for understanding the River Valley chemical policy and counseling services available to them. The intent of this policy is to deter substance abuse among students and provide an appropriate plan of action for violators. It is not intended, however, to discourage any student with a substance abuse problem from seeking guidance and assistance from school personnel or professional counselors. A student with substance abuse concerns may voluntarily approach an administrator, counselor, teacher, or other personnel for help without fear of penalty, assuming the student is not then in violation of this policy.

IV. DISCIPLINARY PROCEDURES

The actions set forth below will be considered routine disciplinary measures. Each category and occurrence of offense shall be administered in accordance with the policies and regulations of the River Valley Local Schools. By "routine disciplinary measures" it is intended that the penalties delineated below shall be considered the standard penalty to be imposed for the offenses described. In incidents where extreme violations occur, the specified actions may be waived by the school administrator in favor of stronger measures such as longer suspensions (not to exceed ten [10] working days), expulsion, or other appropriate measures. Similarly, the school administrator may, at the hearing, consider matters in mitigation of the routine disciplinary measures.

Procedures listed below will apply to any student found to be in violation of the policy:

Days spent attending an inpatient treatment facility will be applied towards the suspension period.

2. Second and Subsequent Offenses:

- a. Parent(s) will be notified immediately, and the student will be removed from the school for the remainder of the day.

V. MANDATORY DRUG TESTING

The River Valley Board of Education has approved a mandatory drug testing policy that will be in place for the 2020-21 school year. The goal of this policy is to create a drug free educational environment while looking out for the health and safety of our students. It is also our hope that this policy will serve as a deterrent for students if and when they are faced with the choice of trying drugs. This is a mandatory testing policy for anyone in grades 9 – 12 who plans to participate in extracurricular activities, clubs, organizations or drives/parks at school. The complete drug testing policy can be found on the school website.

Everything you post is public information-any text or photo placed online is completely out of your control the moment it is placed online- even if you limit access to your site. Information (including pictures, videos, comments and posts) may be accessible even after you remove it.

What you post may affect your future. Many employers and university admissions officers review social networking sites as part of their overall evaluation of the applicant. Carefully consider how you want people to perceive you before you give them a chance to misinterpret the information you have posted to any site.

Similar to comments made in person, River Valley Schools will not tolerate disrespectful comments and behavior online, such as:

Derogatory or defamatory language

Comments that create a serious danger to the safety of another person or constitute a credible threat of serious physical or emotional harm to another person.

Comments or photos that describe or depict unlawful assault, abuse, hazing, harassment, or discrimination; selling, possessing, or using controlled substances; or any other illegal or prohibited conduct.

Or, anything that is a negative representation of River Valley Schools, any other school, student or staff.

Depending on the severity of the violation, whether it be a first offense or not, the administration will review each offense on a case by case basis and will determine the punishment for each offense upon review by the administration. If necessary, law enforcement may be contacted.

First Offense- Meeting with Parents/Coaches; affected parties if within our school district. Discipline determined by administrative staff to include loss of leadership positions.

Second Offense-Meeting with Parents/Coaches; Saturday School up to OSS. For athletes this may result in a 15% suspension of your current or upcoming season. For non-athletes this may result in disciplinary action.

TRANSPORTATION, BUS GUIDELINES

All students should conduct themselves in such a way as not to impair the safety of any passengers or the bus driver. The school bus driver has the authority and responsibility to maintain control of the pupils. Serious violations will be reported to the building administrator and appropriate action shall be taken. Repeated violations may result in a parent conference and/or denial of bus privileges. Refer to the school website for transportation policies.

BUS PASSES

If students wish to ride a bus other than the one to which they are assigned or get off at an alternate stop, they must bring a note detailing the request signed by their parent and turn it into the attendance secretary **before the start of school**. The assistant principal will sign the note and retain a copy. Bus drivers will not allow extra passengers unless these procedures are followed.

CODE OF STUDENT CONDUCT

PREFACE: This code meets the intent of H.B. 421 which requires each Board of Education to adopt a set of rules and regulations designed to

maintain order and discipline necessary for effective learning. The Board of Education's primary concern is that students who wish to learn can do so in an environment conducive to learn and that every available disciplinary and prescriptive means be employed on behalf of those who would destroy or deny such an environment. The sole objective of this code is to insure fair and equitable handling of disciplinary problems.

STUDENT RIGHTS AND RESPONSIBILITIES: Students are responsible to themselves, their parents, the local community and the school administration for their academic progress and social conduct on school property and at school functions. Students are also responsible to respect the rights of the other members of the River Valley School District (other students, teachers, staff, parents, and other persons). Students are held responsible for violation of specific rules of behavior spelled out in the Code of Student Conduct. Disciplinary action for such violations may include; detentions, Saturday School, denial of privileges, assignments, reprimands, suspension, emergency removal, and expulsion. Rescheduling of detentions or Saturday school dates will only take place with written documentation from court, funeral, or doctor. Extenuating circumstances will be considered by the administration.

DETENTIONS

A disciplinary measure by teachers approved by the administration whenever they feel this is necessary. A detention will be conducted in the following manner.

- A. The detention period will be from 3:00 P.M. to 4:00 P.M. on Wednesdays. Failure to report to assigned detention periods will result in the assignment of Saturday School.
- B. The student is responsible for finding their own transportation and bringing materials to study.

SATURDAY SCHOOL

The Saturday School will be held on Saturdays from 8:15 a.m. to 11:15 a.m. Failure to serve the assigned Saturday Schools will result in further disciplinary action. Students must bring materials to study. *Only with super excused absences or administrative approval will Saturday Schools be rescheduled.*

OUT OF SCHOOL SUSPENSION

A student may be suspended from one to ten days by the principal, assistant principal or administrator because of a serious offense or repeated misbehavior. Out of school suspension results in the loss of the privilege to participate in school, extracurricular and co-curricular activities during the time of suspension. Homework missed due to a suspension can be made up in an equivalent amount of days (ex. 3 day suspension equals 3 days to make up and turn in work). Students are not permitted on school grounds during a suspension. The only exception to this would be previously assigned Saturday Schools. The procedure for suspension will be in accordance with the Board of Education Policy. In summary:

1. The principal, assistant principal or administrator may suspend.
Each suspension will not exceed ten school days.
2. Due process shall consist of:
 - a) The administrator will give written notice of the intention to suspend to the student. The notice will have the reason for the action.
 - b) The student will have an opportunity to appear at an informal hearing, before the principal or his designee to explain the situation. The hearing may take place immediately. Due process is guaranteed to the student.
 - c) The student and/or his parents may appeal a suspension to the hearing officer of the River Valley Schools, the Superintendent. Appeals may be made because of the severity of the punishment or because of lack of informal due process.
